The Case machine were 9010,9020,9030,9040,9050and 9060. I think the 9040 is the same as the 2800. We sold quite a few 9040s and 9030 size machines. They were a very good machine. Only problem is they had a number of cylinder changes and parts are hard to get. The seals are no problems, if not from Linkbelt or Case, Hercules Seals will have them.
