Intrepid archaeologist and superior sleuth Amelia Peabody returns in A River in the Sky. In this breathtaking new adventure, New York Times bestselling Grand Master Elizabeth Peters transports the indomitable Amelia and her family, the Emersons, from their usual milieu, early twentieth-century Egypt, to an exciting—and dangerous—new locale: Palestine!

### A River in the Sky - HarperCollins

What made the experience of listening to A River in the Sky the most enjoyable? Very good narrating as always but this story takes place before both Ramses and David were married. David was engaged at the time. Really don't know where this story falls in the series, but not 19th. 6 people found this helpful

### Summary and reviews of A River in the Sky by Elizabeth Peters

Atmospheric rivers are relatively long, narrow regions in the atmosphere – like rivers in the sky – that transport most of the water vapor outside of the tropics. These columns of vapor move with the weather, carrying an amount of water vapor roughly equivalent to the average flow of water at the mouth of the Mississippi River.
