Adaptation, Specialization, and the Theory of the Firm Foundations of the Resource-Based View

Adaptation specialization and theory firm foundations ...

Topic 1—The Dynamics of Local Adaptation. Because niche specialization can occur in the presence of gene flow in primary contact and does not require time in isolation to evolve genetic incompatibilities, it results in a more dynamical process, where further niche specialization may or may not occur, with direct consequences on reinforcement towards more isolation.

Adaptation Specialization And The Theory Of The Firm ...

In the specialization stage, adaptation occurs through learning. An increasingly interpretative consciousness governs learning. In the integration stage, adaptation occurs through the achievement of holistic development governed by a consciousness that is integrative in its structure. The governing factors of the three levels of adaptation (registrative, interpretative, and integrative) define the three levels of consciousness (Kolb, 1984, pp. 145-146).
