Bookbinding: The Classic Arts and Crafts Manual: Cockerell ...

Overview. One of the principal texts of the Arts and Crafts movement in England, this classic work brought a resurgence of life and vigor to the ancient craft of binding books by hand. Its fame and usefulness has endured for more than a century, as evidenced by the many contemporary bookbinders and libraries who consider it to be the clearest and most valuable exposition of the technique of hand bookbinding in English.

Bookbinding, and the Care of Books - A handbook for ...

Douglas Cockerell was perhaps the premier bookbinder of the early twentieth century. Many of his pioneering techniques are still used today by hand bookbinders and curators of fine books. In this, his classic exposition of the bookbinder's art, he details the steps used in the hand-binding of books, various decorative techniques, and provides useful, practical information on the proper care of books.

...

Douglas Cockerell, 1870-1945 "His artist's eye was always on the outlook for inspiration from the world around him. A simple arch, an elaborate leaf pattern, the curve of a swimming fish, and many other images and forms from nature were skillfully rendered by Cockerell into his unique and often slightly organic binding designs.
