Boudoir Photography: The Complete Guide to Shooting ...

Boudoir photography is a new trend that has grown to be quite popular in recent years. But the style itself has been around since the 1940s. When it comes to boudoir photography poses, they offer a sensual, intimate look at a person. The photos focus on their mood, their clothing, and the landscape of their body.

Demi Girl Boudoir Photography | Chicago's #1 Boudoir Studio

Bought this book thinking it would be more of a "complete guide" as the title suggests. Not really a complete anything or a guide. While there are some very pretty photos for inspiration in it, on several points the book fails to explain the "whys and hows" of actually doing this type of photography.
