Caressed By Ice Psy Changeling

5+ stars - Paranormal Romance When I read Caressed by Ice, the third book in Nalini Singh's amazing and unique Psy-Changeling series, I had the same type of deep, emotional reaction that I felt when I read another love against all odds paranormal romance favorite about a damaged H/H couple who heal each other, J.R. Ward's Lover Awakened. This is an intense, magnificent, emotional rollercoaster read and my favorite of the series so far.
