Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

I really need the online algebra 1 textbook because i'm struggling with algebra, but I left my book at school. Does anyone know where i can get it? I tried their website but it only let's you create an account to see the book if you have some number that's on the back of the book. Obviously I don't have that number seeing as I don't have the book with me.
