When the reform and opening-up period began in China in 1978, the civil justice system was in a parlous state following the near abandonment of formal law during the Cultural Revolution. Over the past thirty-plus years, China has however shown remarkable dynamism in not only introducing a coherent framework of civil procedural rules, but also in adapting these rules to its unique local conditions.

### Dynamism in China's Civil Procedure Law: Civil Justice ...

In April 1986, at the Fourth Session of the Sixth National People's Congress, the General Principles of the Civil Code was approved as "one of China's basic laws." Consisting of more than 150 articles, the code was intended to regulate China's internal and external economic relations to establish a stable base conducive to trade and attractive to foreign investors .
