If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book.

Choose To Believe Alan Tutt

"Choose to believe" by Alan Tutt is a very good book to start off with and I would also recommend the book mentioned at the beginning of this review. The book offers information as well as practices; and no good self-help book is complete without suggesting some form of action to be taken by the reader.

Choose To Believe: A Practical Guide to Living Your Dreams ...

Alan Tutt has conducted two live workshops back in 2008 and 2011, where he thoroughly explains and demystifies all the important keypoints inside "Choose To Believe." He held nothing back as he described - in clear details - how to use each specific process to find and measure your beliefs, and then change them for good!
