## **Christopraxis Practical Theology Cross Andrew**

So argues Andrew Root, who in Christopraxis seeks to reset the entire edifice of practical theology on a new foundation. While not minimizing practical theology's commitment to the lived and concrete, Root argues that practical theology has neglected deeper theological underpinnings, and seeks to create a practical theology that seeks to be fully post-postmodern, post-Aristotelian, and that in seeking to attend to doctrines such as divine action and justification, is properly and fully ...

## **Christopraxis: A Practical Theology of the Cross ...**

Root's practical theology of the cross begins with the ex nihilo of God's justifying and creative act. God creates possibility where there is no possibility. Root calls this 'christopraxis' because divine possibility comes to us, through the power of the Spirit, in the form of Christ who joined human impossibility on the cross out of which new life, healing, justification, and possibility are born.
