Cowboy Dundee

Brenda Novak never fails to keep my interest in her stories and Coulda Been A Cowboy in the Dundee, Idaho series did just that. We find injured professional football player Tyson Garnier trying to recuperate while needing to take care of his 9 month old son that he just won custody from the babies mother.

The only thing this book seems to have in common with the others is the romance, and the fact that it was a great read. Coulda Been a Cowboy is the eighth book in the Dundee, Idaho Series but it reads great stand alone.
