Dayworld 1 Philip Jose Farmer

Dayworld by Philip Jose Farmer- In a far future dystopian world, there are too many people, so the government breaks up the population into days of the week. Each person is allowed one day of activity while the rest of the week they are put into a stasis or hibernation state called "stoned" and kept in isolation tanks.

Dayworld (Dayworld #1) by Philip José Farmer

Philip Jose Farmer wrote the first short story of this concept in 1972. I'm surmising that he had to shelve the concept to pursue his popular and award winning Riverworld series (which is highly recommended). After he wrapped up that series in the early 80's, he could then pursue the Dayworld series after a 13 year hiatus.

Dayworld is a trilogy of science fiction
novels by Philip José Farmer, inspired by
his own acclaimed short story "The
Sliced-Crosswise Only-On-Tuesday
World". They are set in a dystopian
future in which people are allowed to
live only one day of the week. For the
rest of the six days they are "stoned," a
kind of suspended animation. The novels
focus on a man, Jeff Caird, who is a
daybreaker ...
