Discipline And Punish The Birth

Discipline and Punish: The Birth of the Prison is a 1975 book by the French philosopher Michel Foucault. It is an analysis of the social and theoretical mechanisms behind the changes that occurred in Western penal systems during the modern age based on historical documents from France. Foucault argues that prison did not become the principal form of punishment just because of the humanitarian concerns of reformists. He traces the cultural shifts that led to the predominance of prison via the bod
