The social world, he argues, functions simultaneously as a system of power relations and as a symbolic system in which minute distinctions of taste become the basis for social judgement. The topic of Bourdieu's book is a fascinating one: the strategies of social pretension are always curiously engaging. But the book is more than fascinating.

Pierre Bourdieu in Distinction: A Social Critique of the Judgement of Taste offers an ethnography of 1960s French taste. Largely, based on interviews, the research illustrates how taste is inherently judgemental and a product of, to use, Bourdieuan terms, the habitus and individual agency acting within the 'cultural' field.
