## **Plague City - OSRS Wiki**

A plague doctor was a physician who treated victims of the bubonic plague. In times of epidemics, these physicians were specifically hired by towns where the plague had taken hold. Since the city was paying them a salary, they treated everyone, wealthy or poor. However, some plague doctors were known to charge patients and their families additional fees for special treatments or false cures. Typically, they were not experienced physicians or surgeons at all; rather, they were often either second
