Four Boys And Their Heroic

In the winter of 2010, four talented young nerds with time on their hands decided that they should bring an end to Facebook's monopoly on social networking. They were man-boys, college students who became friends while staying up all night, eating pizza and hacking at geeky projects in a computer club at New York University.

More Awesome Than Money: Four Boys and Their Heroic Quest ...

More Awesome than money: Four Boys and Their Heroic to Save Your Privacy from Facebook is the fascinating story of the four college student idealists who raised \$200,000 through a Kickstarter campaign to attempt to launch a company that would attempt to address the privacy concerns raised by Facebook's collection and control of user data. Unable to monetize the idea, their company, Diaspora, eventually was rolled into a non-profit group.

More Awesome Than Money: Four Boys and Their Heroic Quest ...

Four NYU undergrads wanted to build a social network that would allow users to control their personal data, instead of surrendering it to big businesses like Facebook. They called it Diaspora. In days, they raised \$200,000, and reporters, venture capitalists, and the digital community's most legendary figures were soon monitoring their progress.
