Talk to one of your professional contacts to find out about a potential job shadowing opportunity. Or, sign up for a class at a local college or community center to dive into a skill you've been meaning to pick up or refine. (Or, even better for couch lovers, sign up for a free online class.)

## **How to Stay Positive During a Long Job Hunt | The Muse**

Create a Daily Job Search Routine: If possible, treat your job search like a 9 - 5 job. For the time being, consider your job search as your full-time job. Wake up early, take a lunch break, and end your job search activities before dinner. Creating a regular routine and keeping your job search organized will keep you focused and motivated.

## **How to Stay Positive While Job Hunting**

The good news is there are proven ways to better manage your mood during your job search, so you can rock your interviews and land a new role you love. 1. Create Structure. As humans, we naturally crave order and control, so it's no wonder why the uncertainty associated with job searching can make us feel uneasy.

Finding #3: You need to like your co-workers. Employees who have good relationships with their co-workers are 2.5 times more likely to be happy on the job than those who don't get along well with their peers, the survey found. Meanwhile, a Gallup poll found that close work friendships boost employee satisfaction by 50%.

## **Be Happy At Work | Monster.com**

The author is really in touch with today's professional world and it is not a boilerplate guide. About 2/3 of the book is sample resumes and letters, most of them for executive type jobs. I would suggest most job hunters would prefer the newer book 'Happy About my Job Search' that includes most of the resume instructional chapters of this book.
