Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Hipster Christianity When Church And

McCracken then examines the birth of "Christian cool" among the "Jesus People" of the late 60s and early 70s as well as the modern heirs of their culture. The second section of the book examines Christian hipsterdom in the present, including summaries of McCracken's visits to numerous hipster churches in both the United States and Great Britain.

Hipster Christianity: When Church and Cool Collide ...

Hipster Christianity: When Church and Cool Collide is a journalistic, in-depth exploration of the phenomenon of "cool Christianity" in the 21st century.More than just a surface description of an interesting new trend in Christianity, the book goes deep into the questions of what it means to be cool and what it means to be Christian.

Hipster Christianity — Brett McCracken

Insider twentysomething Christian journalist Brett McCracken has grown up in the evangelical Christian subculture and observed the recent shift away from the "stained glass and steeples" old guard of traditional Christianity to a more unorthodox, stylized 21st-century church. This change raises a big issue for the church in our postmodern world: the question of cool.
