### Interqual Smart Sheets

InterQual® Criteria and SmartSheets. When we receive a request for authorization or prior approval, our utilization review nurses use Change Healthcare's InterQual® criteria to determine if the services and level of care are clinically indicated. If the criteria are met, the case is approved; if the criteria are not met, the case is reviewed by a physician.

### InterQual Criteria & SmartSheets

SmartSheets. InterQual ® SmartSheets provide a concise, convenient format of InterQual ® Criteria that provides support at the point-of-care and facilitates communication between a provider and payer. You generate a SmartSheet as a PDF and then use the printed PDF to record review information that you can fax or email to a payer.

### Creating InterQual® SmartSheets

InterQual Smart Sheets are specifically created to guide the practitioner/provider through the clinical criteria and are available upon request. A copy of other specific guidelines can be requested by contacting the UM Department or your Provider Service Representative.

### Interqual Smart Sheets - [paesealbergosaintmarcel.it](http://paesealbergosaintmarcel.it)

InterQual aligns payers and providers with actionable, evidence-based clinical intelligence to support appropriate care and foster optimal utilization of resources. The foundation of the InterQual solution is our market-leading clinical Criteria, which helps payers and providers consistently apply evidence-based clinical decision support.
