so as to deny the need for explanation. So I have often been taken aback by criticisms of many of the articles I have written observing and commenting on the use of these strategies by political figures and in political or politicized contexts.

Mediation In Politics And The Politics Of Mediation

Religion & Politics, an online news journal about the two subjects, is a project of the John C. Danforth Center on Religion & Politics at Washington University in St. Louis. Its mission statement says, among other things: "that for better and for worse, religion and politics converge, clash, and shape public life.

Religion and Politics Do Mix | HuffPost

There are three models in history related to religion and politics. In one when religion and politics both unite with each other in an attempt to monopolize political power. We call it integration and sharing model. In the second model, politics, after subduing and overpowering religion, uses it for its interests.

Religion and Politics: Integration, Separation and ...

In effect, political image management is the process by which concrete, living historical events and processes—what politicians actually say and do in the public sphere day-to-day, how government policies are implemented, and what their effects on stakeholders and social processes are—are turned into ahistorical, "mythic" events and ...

Chapter 17. Government and Politics - Introduction to ...

In 1848, the visiting French Catholic aristocrat Alexis de Tocqueville marveled at how the American republic had devised an arrangement in which a multiplicity of old and new religious "sects" could flourish without intervening institutionally in government. In this way, he wrote, religion served as "the first of the [Americans'] political institutions"—what we call today "civil society."

Religion & Presidential Politics | Commonweal Magazine

The empirical study of religion and politics emerged as a strongly behavioral sub-discipline within political science within the late 20th Century.
