Giant monsters walk the land while small groups of humans try to survive - Oblivion Song is basically Image's answer to Dark Horse's BPRD: Hell on Earth, and, like that series, it's pants!

## **Song Vol 1 - Temple University**

Oblivion Song is a strong examination of love and loss, trauma and moving on (or the inability to), the will to make it better against impossible odds, and the question on the value of life, both domestic and foreign, familiar and strange. It's beautiful, and emotional, and extremely well made. I highly recommend it.
