the Karl Rove affair from the perspective of Norman Pearlstine, boss of Time Inc. at the time, who was vilified for turning over records to a government investigation and thus supposedly violating journalism values esteemed since Watergate.

## **Amazon.com: Off the Record: The Press, the Government, and ...**

Off the Record is a powerful argument, with the vividness and narrative drive of the best long-form journalism. It is sure to spark controversy among the people who run the government- and among the people who tell their stories.

## **Amazon.com: Off the Record: The Press, the Government, and ...**

What is to be done? Pearlstine calls on Congress to pass a federal shield law protecting journalists from the needless intrusions of government; at the same time, he calls on the press to name its sources whenever possible. Off the Record is a powerful argument, with the vividness and narrative drive of the best long-form journalism. It is sure to spark controversy among the people who run the government - and among the people who tell their stories.

Off The Record is not a law firm and does not endorse or recommend any lawyer or law firm who advertises on our platform. We do not make any representation and have not made any judgment as to the qualifications, expertise or credentials of any participating lawyer.

### **Off the Record**

Transparency is critical to our credibility with the public and our subscribers. Whenever possible, we pursue information on the record. When a newsmaker insists on background or off-the-record ground rules, we must adhere to a strict set of guidelines, enforced by AP news managers.

### **Anonymous Sources - Telling the Story | News Values | AP**

In Off the Record, Westerhout tells the full story of this dinner for the first time, revealing the circumstances that led to her fateful mistake. She also writes about her relationship with President Trump -- all the lessons she learned working with him, and why she believes he is a much different man than the one the media portrays every day.

### **Off the Record: My Dream Job at the White House, How I**

...

Off-the-record can mean that whatever the journalist is told can be reported so long as it is not attributed to the person who said it. This is the most common definition and is widely respected by reporters who know that it is a serious breach of their code of ethics to divulge the identity of their source or to betray the trust of that source ...
