Purr Therapy What Timmy And

In Purr Therapy, psychotherapist and cat lover Dr. Kathleen McCoy shows how two very special cats rose to this challenge, how they helped wounded souls to heal and how they taught even her lessons in mindfulness, joyful living, and compassion. She also shows readers how animal-assisted psychotherapy works and gives them an intimate and moving inside look at how Timmy and Marina worked with patients, how their double role as animal companions and cotherapists changed lives, and how, after ...

Therapy Cats - Purr and Roar

Pet therapy is apparently gaining momentum in many communities, and according to Animal Planet, there is scientific research that suggests pet owners live longer than those without pets. It seems that our own animals may have the ability to relieve us of our troubles, or at least make our worries seem less important.

Purr Therapy - Counselor Magazine

It explains how those who chose to work with her original therapy cat, Timmy, a Burmese/red tabby mix, and later Marina, a flame-point Siamese, were helped by their interactions with these cats. Though Timmy and Marina had distinctively different personalities, they both were able to intuit what individual clients needed during their therapy sessions.
