The Game From Where I

In The Game from Where I Stand, Glanville shows us how players prepare for games, deal with race and family issues, cope with streaks and slumps, respond to trades and injuries, and learn the joyful and painful lessons the game imparts. We see the flashpoints that cause misunderstandings and friction between players, and the imaginative ways they work to find common ground.

Where Are You From? The Game - YouTube

The Game is an example of ironic processing (also known as the "White Bear Principle"), in which attempts to suppress or avoid certain thoughts make those thoughts more common or persistent than they would be at random. There are early examples of ironic processing: in 1840, Leo Tolstoy played the "white bear game" with his brother, where he would "stand in a corner and not think of the white ...
