In truth, our creation of "The Historian's Craft," is part of a wider revision of our history curriculum and a change in the philosophy behind it. Our curricular requirements had historically put an emphasis on the informational side of the discipline.

The Historian's Craft | Perspectives on History | AHA

The Historian's Craft (French: Apologie pour l'histoire ou Métier d'historien) is a 1949 book by Marc Bloch and first published in English in 1953 (New York: Knopf) (it was the first of his works to be translated into English). At that stage he was not as well known in the English-speaking world as he was to be in the 1960s where his works on feudal society and rural history were published.

Marc Bloch and the Historian's Craft1. 1. Marc Bloch and the Historian's Craft1. Alan Macfarlane The French historian and co-founder of the Annales School of historiography, Marc Bloch (1886-1944) has been a source of inspiration ever since I first read and indexed his. Feudal Societyin 1971.

Marc Bloch and the Historian's Craft1

Overall Reflection My Reflection of U.S. History. This online U.S. History class has taught me a lot about who I am as a student. Since I had previously taken 2 other online classes prior I thought this class would be a breeze, but what I came to find is that it was actually a little harder than what I had perceived. The readings for me and ...
