There are limitations to such an "express" learning methodology. I found that interpreting written Italian was quite difficult, especially when it didn't follow the formulaic construction of sentences as prescribed by Michele Thomas. In short, this is a great product to give you enough Italian language skills to get by in Italy.

If you're new to learning Italian, one of the first features of the language you'll notice is the display of double consonants. We see this all the time in a variety of popular words, such as pizza or anno or the name

Alessandra. Although every word is enunciated differently, a general rule-of-thumb when it comes to navigating these double letters is to deemphasize the preceding vowel.
