written about the connections of friends, family, and relationships.

Joanne DeMaio - Book Series In Order

Debut author DeMaio sketches the mid-life crisis of a 40-year-old woman and shows that turmoil can lurk behind even the most serene of façades.

Kirkus Reviews

I loved Whole Latte Life, the book, (which is also the name of the coffee shop that the women frequent, isn't that a cool coffee shop name?) but it could also refer to how we should all live our lives. A lot of lessons could be learned from this story. Joanne's website indicates that she is working on her next novel which should be out in early 2013.
